### **In-Network Insurance**

If billing an in-network insurance provider, you will be responsible for any portion of the contracted rate that is not covered by your insurance provider. Contracted rates may be less than that of the fee schedule. Along the Path will submit the claim to your insurance provider and send you a statement indicating the amount due.

### **Out-of-Network or No Insurance**

Fee for services are non-negotiable and are due at that time of service. You may request a Superbill that you may then submit to your insurance provider for reimbursement.

Most insurance companies (both in and out-of-network) do not reimburse for Life-Coaching, review of records, extensive phone consultation or missed appointments.
